## IMPRISONMENT

As to the one-count indictment, it is adjudged that defendant is committed to the custody of the Bureau of Prisons for a term of 60 months.

I recommend that defendant receive: educational and vocational training; appropriate programming including referral to the STAGES program; and a substance abuse evaluation and appropriate treatment, including RDAP.

I also recommend defendant be afforded prerelease placement in a residential reentry center with work release privileges.

Defendant is primary state custody, serving an undischarged term of imprisonment in Rock County, Wisconsin, Circuit Court Case No. 16CF939. The federal sentence is to begin today and it will run concurrently with the remainder of the state sentence he is currently serving.

The U.S. Probation Office is to notify local law enforcement agencies, and the state attorney general, of defendant's release to the community.

## RETURN

## **SUPERVISED RELEASE**

The term of imprisonment is to be followed by a three-year term of supervised release, subject to the mandatory conditions. In light of the nature of the offense and defendant's personal history, I adopt condition numbers **1 through 16** as proposed and justified in the presentence report. Neither party has raised any objections to the proposals.

If, when defendant is released from confinement to begin his term of supervised release, either defendant or the supervising probation officer believes that any of the conditions imposed today are no longer appropriate, either one may petition the Court for review.

The drug testing requirements are addressed in the special conditions of supervision. Mandatory drug testing is not waived due to the risks and needs posed by defendant's drug abuse history.

---

Defendant is to abide by the statutory mandatory conditions.

### **Statutory Mandatory Conditions**

Defendant shall not commit another federal, state, or local crime. [Note: Any defendant that has been convicted of a felony offense, or is a prohibited person, shall not possess a firearm, ammunition, or destructive device pursuant to 18 U.S.C. §§ 921 and 922.]

Defendant shall not illegally possess a controlled substance. Defendant is subject to drug testing according to 18 U.S.C. § 3583(d).

Defendant shall cooperate with the collection of DNA by the U.S. Justice Department and/or the U.S. Probation and Pretrial Services Office as required by Public Law 108-405.

If this judgment imposes a fine or a restitution obligation, it shall be a condition of supervised release that defendant pay any such fine or restitution that remains unpaid at the commencement of the term of supervised release in accordance with the Schedule of Payments set forth in the Financial Penalties sheet of this judgment.

---

Defendant shall comply with the standard and special conditions that have been adopted by this court.

### **Standard Conditions of Supervision**

- 1) Defendant shall not knowingly leave the judicial district in which defendant is being supervised without the permission of the Court or probation officer;
- 2) Defendant is to report to the probation office as directed by the Court or probation officer and shall submit a complete written report within the first five days of each month, answer inquiries by the probation officer, and follow the officer's instructions. The monthly report and the answer to inquiries shall be truthful in all respects unless a fully truthful statement would tend to incriminate defendant, in violation of defendant's constitutional rights, in which case defendant has the right to remain silent;
- 3) Defendant shall maintain lawful employment, seek lawful employment, or enroll and participate in a course of study or vocational training that will equip defendant for suitable employment, unless excused by the probation officer or the Court;
- 4) Defendant shall notify the probation officer within seventy-two hours of any change in residence, employer, or any change in job classification;

- 5) Defendant shall not purchase, possess, use, distribute, or administer any narcotic or other controlled substance, or any paraphernalia related to such substances, except as prescribed by a physician. Defendant shall not use any product containing cannabidiol (CBD) or tetrahydrocannabinol (THC), except as prescribed by a physician.
- 6) Defendant shall not visit places where defendant knows or has reason to believe controlled substances are illegally sold, used, distributed, or administered;
- 7) Defendant shall not meet, communicate, or spend time with any persons defendant knows to be engaged in criminal activity or planning to engage in criminal activity;
- 8) Defendant shall permit a probation officer to visit defendant at home, work, or at some other mutually convenient location designated by the probation officer at any reasonable time and shall permit confiscation of any contraband observed in plain view by the probation officer;
- 9) Defendant shall notify the probation officer within seventy-two hours of being arrested or questioned by a law enforcement officer;
- 10) Defendant shall not enter into any agreement to act as an informer or a special agent of a law enforcement agency without the permission of the Court;
- 11) Defendant shall report to the probation office in the district to which defendant is released within 72 hours of release from the custody of the Bureau of Prisons, unless instructed by a U.S. probation officer to report within a different time frame; and
- 12) Defendant shall not possess a firearm, ammunition, destructive device, or dangerous weapon.

#### **Special Conditions of Release**

13) Provide the supervising U.S. Probation Officer any and all requested financial information, including copies of state and federal tax returns.

14) Submit person, property, residence, papers, vehicle, or office to a search conducted by a U.S. Probation Officer at a reasonable time and manner, whenever the probation officer has reasonable suspicion of contraband or of the violation of a condition of release relating to substance abuse or illegal activities; failure to submit to a search may be a ground for revocation; defendant shall warn any other residents that the premises defendant is occupying may be subject to searches pursuant to this condition.

15) Participate in a substance abuse evaluation and recommended treatment. If defendant is eligible for funding from any source to cover the cost of treatment, defendant is to make reasonable efforts to obtain such funding. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it. Defendant shall submit to drug testing beginning within 15 days of defendant's release and 60 drug tests annually thereafter. The probation office may utilize the Administrative Office of the U.S. Courts' phased collection process.

16) Participate in mental health referral, assessment, and treatment as approved by the supervising U.S. Probation Officer and comply with all rules, regulations, and recommendations of the mental health agency or its representative to the extent approved by the supervising U.S. Probation Officer. If defendant is eligible for funding from any source to cover the cost of treatment, defendant is to make reasonable efforts to obtain such funding. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it.

#### ACKNOWLEDGMENT OF CONDITIONS

I have read or have had read to me the conditions of supervision set forth in this judgment, and I fully understand them. I have been provided a copy of them. I understand that upon finding a violation of probation or supervised release, the Court may (1) revoke supervision, (2) extend the term of supervision, and/or (3) modify the conditions of supervision.

## CRIMINAL MONETARY PENALTIES

Defendant shall pay the following total financial penalties in accordance with the schedule of payments set forth below.

<u>Count</u>	<u>Assessment</u>	<u>Fine</u>	<u>Restitution</u>
1	\$100.00	\$0.00	\$0.00
<b>Total</b>	\$100.00	\$0.00	\$0.00

It is adjudged that defendant is to pay a \$100 criminal assessment penalty to the Clerk of Court for the Western District of Wisconsin immediately following sentencing. Defendant is encouraged to honor his agreement to pay the assessment at or before sentencing as noted in his signed plea agreement. Nonpayment can result in preclusion from programming in the federal prison system.

Defendant does not have the means to pay a fine under § 5E1.2(c) without impairing his ability to support himself and his minor children upon release from custody, so I will impose no fine.

## **SCHEDULE OF PAYMENTS**

Payments shall be applied in the following order:

- (1) assessment;
- (2) restitution;
- (3) fine principal;
- (4) cost of prosecution;
- (5) interest;
- (6) penalties.

The total fine and other monetary penalties shall be due in full immediately unless otherwise stated elsewhere.

Unless the court has expressly ordered otherwise in the special instructions above, if the judgment imposes a period of imprisonment, payment of monetary penalties shall be due during the period of imprisonment. All criminal monetary penalties, except those payments made through the Federal Bureau of Prisons' Inmate Financial Responsibility Program, are made to the clerk of court, unless otherwise directed by the court, the probation officer, or the United States Attorney.

Defendant shall receive credit for all payments previously made toward any criminal monetary penalties imposed.

In the event of a civil settlement between victim and defendant, defendant must provide evidence of such payments or settlement to the Court, U.S. Probation office, and U.S. Attorney's office so that defendant's account can be credited.
